

BriarPatch Food Co-op Tabling Policies

Tabling on BriarPatch Food Co-op premises by non-profit groups, political groups, and schools is welcome within specific guidelines after an application to table is approved.

The primary mission of BriarPatch Food Co-op is to serve its owners and customers. Policies related to tabling are intended to support our mission. BriarPatch Management reserves the right to grant or deny tabling privileges and to revoke tabling privileges at any time.

(Court rulings have held that in a situation such as BriarPatch's, the business can set conditions for, or deny, tabling activities. For example, see *Albertson's Inc. v. Young*, 2003, and *Van v. Home Depot*, 2007, which narrowed the Court's 1979 *Robins v. Pruneyard* decision.)

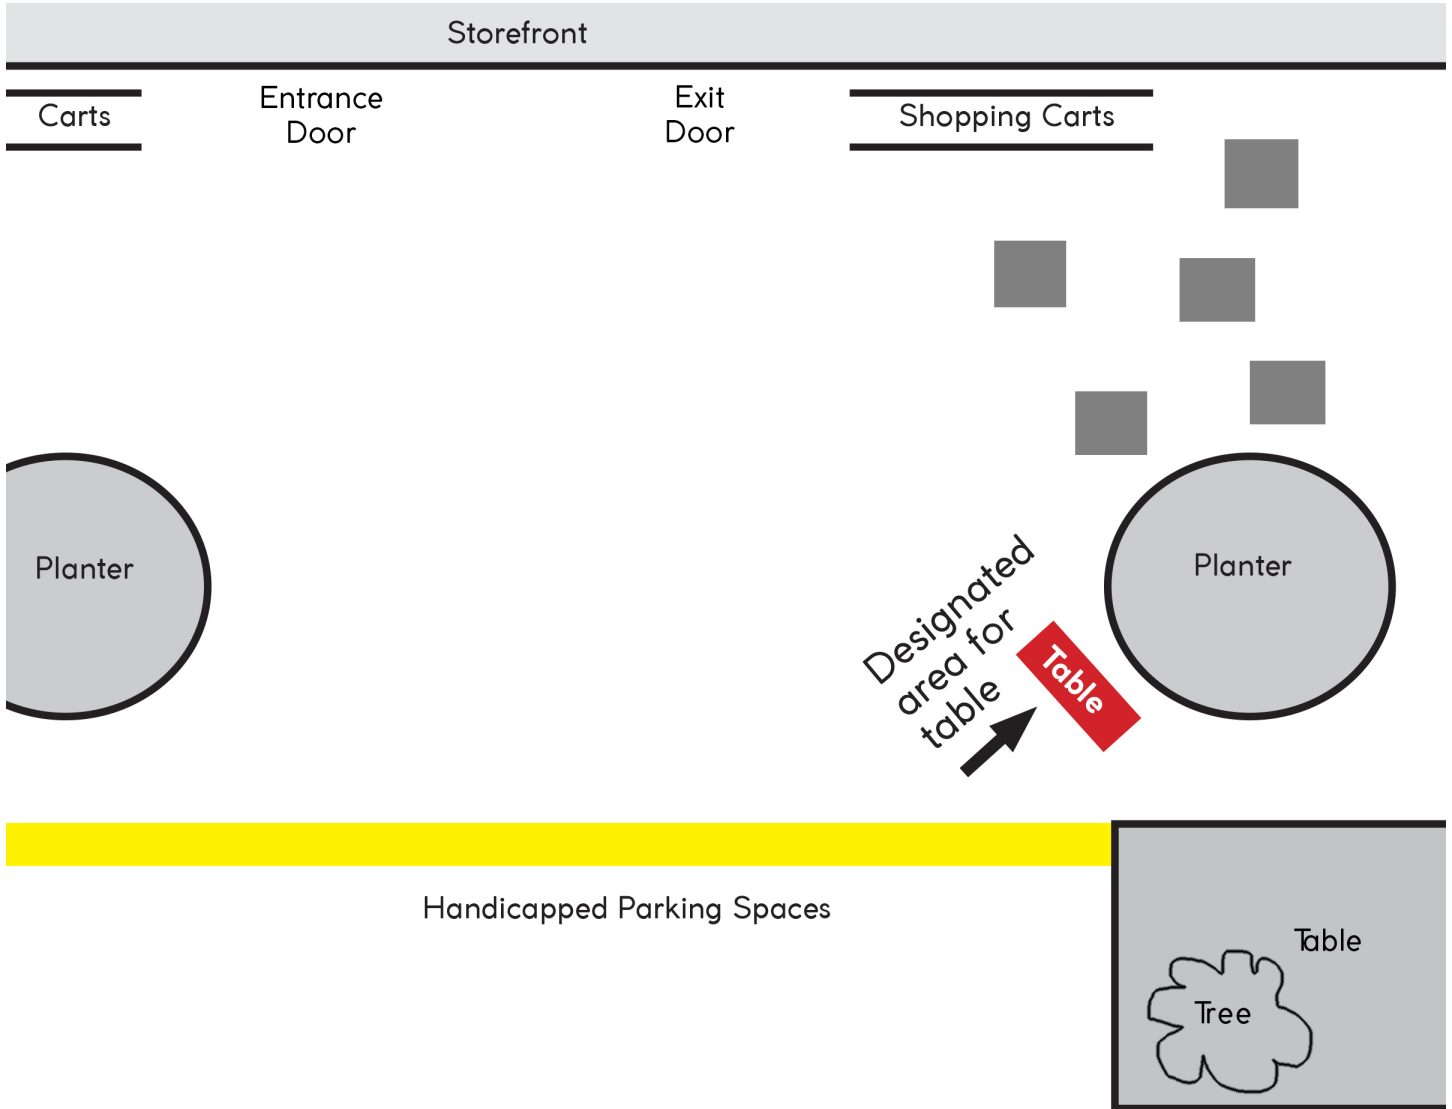

SCHEDULING

Applications for permission to table are available at the Customer Service counter and can be downloaded online at the BriarPatch website under the "Community" tab. Please complete and turn in the application to staff at the Customer Service counter at least 72 hours before the requested time. BriarPatch staff will let you know if your application has been approved, and if the date/time requested is available within 72 hours of the date the application was submitted. If approved, applicants may table one time per month for up to four hours a day between the hours of 8am and 5pm. Only one group will be scheduled at a time, and groups may not be permitted during Co-op events and activities on the patio.

GUIDELINES and CONDUCT

- Please check in with BriarPatch staff at the Customer Service Counter when you arrive.
- Please bring your own table and chairs. Co-op benches, planters, chairs, and tables are reserved for customers.
- Do not tape, nail, or otherwise affix signs to Co-op property.
- Selling goods or services, or their exchange for a donation, need to be approved as 'fundraising' on your application in advance.
- Set up one table in the "designated location" and remain behind it.
- Only one or two people at a time may actively greet shoppers and solicit their participation. Courtesy and respect are expected.
- Do not follow customers, call out, or yell for customers to come over, or otherwise distract or harass customers during their time on BriarPatch property.
- Allow shoppers to decline to speak with you. Any tabling approach that intimidates or causes customers to feel pressured or uncomfortable is unacceptable and will result in the loss of tabling privileges. If a customer indicates that they are not interested, that indication must be respected, without any attempt on the part of the person tabling to argue, further persuade, etc.
- Offensive materials, pictures, signs, dress, music, etc. are not allowed.
- Using speakers or megaphones is not permitted.
- Smoking is not permitted anywhere on BriarPatch property.
